Scene Map: Narrative

A scene is a single event in your movie. Any series of actions that are all part of one event at one location are a scene. It's possible to have several scenes that all take place at the same location.

Project Name:
Project Member(s):

Scene # _____ Scene Name:	Date and time that cast and crew should be on location and prepared for the shoot:

Basic Questions		*List of all people whose presence is required at this shoot*			check here when each person confirms ✓
Is this location a public place or privately owned?*		Name	telephone #	email address	
Is the location indoors or outdoors?					
What time of day will you be shooting here?					
*If privately owned then attach a **private location permission form** to this sheet when you turn it in. You will need to complete the rest of this sheet before attempting to get permission from the property owner.					

Detailed Questions *attach additional sheet(s) if you want*

Sketch

Street Address
of location

Sketch what this location looks like from the top down. You may need to finish your storyboard for this scene before you are able to complete this sketch. Do the initial sketch in pencil and then go over it again in pen. Add each of the items below in pencil on top of the final sketch.

Describe the way this location *looks*, including colors, textures, cleanliness, major features, age, "mood," walls, ceiling, and floor.

- o   location of camera for main shot
- o   label important objects
- o   label each light source as key, back, or fill

What props will you need to bring to this set?

1.
2.
3.
4.
5.
6.
7.
8.

What's the light like at this location? What lighitng difficulties are likely?

What is the background sound like at this location? What sound difficulties are likely?
